

Shefware Tool Installation Guide

How to Install Shefware Software on Windows?

Installing Shefware PDF Extractor is fast and simple. Follow the steps below to install the software on Windows successfully.

Step 1: Download the Software

Go to the official Shefware Website and download **Shefware PDF Extractor** . Once the download is completed, locate the setup file in the downloads folder.

Step 2: Introduce the Setup File

Click twice on the download setup file (**Shefware PDF Extractor .exe**). If Windows shows a User Account Control prompt asking for permission to make changes to the device, click **Yes** to continue.

ShefwarePDFExtractor(Setup)
Type: Application

Date modified: 8/24/2026 2:24 PM
Size: 145 MB

Step 3: Begin the Installation Wizard

The **Shefware PDF Extractor Setup Wizard** opens on the screen. Click on **Next** to start the installation process.

Step 4: Accept License Agreement

Read the Software License Agreement carefully. Choose **I Agree** or **Terms and Conditions** and click on **Next** to proceed further.

The screenshot shows the 'Setup - Shefware PDF Extractor' window. The title bar includes the Shefware logo and standard window controls. The main content area is titled 'License Agreement' and contains the following text:

Please read the following important information before continuing.

Please read the following License Agreement. You must accept the terms of this agreement before continuing with the installation.

SOFTWARE LICENSE AGREEMENT (EULA)

Shefware PDF Extractor Copyright © 2026 by Shefware Private Limited.
All rights reserved.

Your Agreement to this License

This End User License Agreement ("Agreement") is a legally binding agreement between you (either an individual or an entity, the "User") and Shefware Private Limited regarding the Shefware software (the "Software" or the "Program"), and b) governing the installation, access, download, activation, and use of our software products, applications, utilities, tools, services, updates, and related documentation (collectively, the "Software").

CAREFULLY READ THE FOLLOWING LEGAL AGREEMENT.

Below the text are two radio buttons for user selection:

- ☒ I accept the agreement
- ☐ I do not accept the agreement

At the bottom right, there are three buttons: 'Back', 'Next' (which is highlighted with a blue border), and 'Cancel'.

Step 5: Select Installation Location

Choose the folder where you want to install the software. By default, the application will be installed in:

c:\Program Files\shefware\PDF Extractor

To select a different location, click **Browse**, choose the preferred folder, and click **Next**.

Step 6: Choose the Start Menu Folder

Select the start menu folder where the program shortcuts will be generated. You might keep the default selection or indicate a custom folder, then click **Next**.

Step 7: Allocate Additional Options

Choose any additional installation preferences such as:

- Create Desktop Shortcut
- Launch Application After Installation

Select the option that is ideal for your needs and click **Next**.

Step 8: Install the Software

A summary of installation settings will be shown. Review the details and click **Install** to start the installation. Kindly wait while the setup wizard copies the important files to the system.

Step 9: Complete the Installation

Once the installation is completed, a confirmation will display specifying **Shefware PDF Extractor** has been successfully installed. Click **Finish** to close the setup Wizard.
